

Instructions for submitting extended versions of papers presented in ICEM'2022 to be reviewed for potential publication in IEEE journals

Extended versions of papers presented in ICEM'2022 are eligible to be reviewed for potential publication in journals of IEEE societies that accorded technical co-sponsorship to the conference, namely IAS, IES and PES. The extended versions of papers must follow guidelines given in the respective section IEEE PSPB Operations Manual (<https://www.ieee.org/publications/rights/section-822f.html>) and in particular include new content with respect to papers published in the conference records as foreseen by the specific journals, the corresponding conference paper must be referenced, the added value in the journal paper must be explained and it is recommended to include experimental validation of the results presented. Moreover, in order to enable publication in the particular journal issues, scheduled within 2023, authors are encouraged to submit extended post-conference papers by the end of 2022. The submission of post-conference paper versions must follow the respective journals' templates and procedures, as follows:

A) IEEE Transactions on Industry Applications (TIA)

Post-conference papers need particular invitation to be submitted for review in IEEE TIA following information available at the following web-page:

<https://ias.ieee.org/publications/ieee-transactions-on-industry-applications/information-for-authors.html>

B) IEEE journals of Industrial Electronics Society (IES)

Post-conference papers to be submitted for review in Journals of the IEEE Industrial Electronics such as IEEE Transactions on Industrial Electronics (IEEE TIE), IEEE Open Journal of the Industrial Electronics Society (IEEE OJIES), IEEE Journal of Emerging and Selected Topics in Industrial Electronics (IEEE JESTIE) must have a different title from the one implemented in conference proceedings and follow the post-conference paper category information available at the following web-pages:

- IEEE TIE: <https://www.ieee-ies.org/pubs/transactions-on-industrial-electronics>
- IEEE OJIES: <https://www.ieee-ies.org/pubs/ojies>
- IEEE JESTIE: <https://www.ieee-ies.org/pubs/jestie>

C) IEEE Transactions on Energy Conversion (TEC)

Post-conference papers to be submitted for review in IEEE TEC must follow information available at the following web-page:

<https://www.ieee-pes.org/part-2-preparation-and-submission-of-transactions-papers>

Authors submitting ICEM'2022 post-conference papers in IEEE journals are suggested to inform ICEM Publication Committee Chair, Antonios Kladas (e-mail: kladasel@central.ntua.gr).
